

TRAVELLER²⁰

Science-Fiction Adventure in the Far Future

The Essential Canon

Traveller D20 carried the **Traveller** role-playing game system into the D20 system, adapting it to the 3rd edition **Dungeons & Dragons** rules set and its iconic 20-sided dice.

The rules for the **d20 System** are defined in the **System Reference Document** or **SRD** (two separate SRDs were released, one for D&D edition 3.0 and one for edition 3.5), which may be copied freely or even sold. Designed for fantasy-genre games in (usually) a pseudo-medieval setting, the SRD is drawn from the **Dungeons & Dragons** books *Player's Handbook v3.5*, *Expanded Psionics Handbook*, *Dungeon Master's Guide v3.5*, *Monster Manual v3.5*, *Deities and Demigods v3.0*, *Unearthed Arcana*, and *Epic Level Handbook*. Information from these books not in the SRD include detailed descriptions, flavor-text, and material Wizards of the Coast considers Product Identity (such as references to the Greyhawk campaign setting and information on mind flayers).
